BUSINESS PROPOSAL

ABOUT US

Smart Trucking Solutions Inc is a truck dispatch company that provides top-notch dispatch services for **owner-operators** and **small trucking companies**.

We have clear pricing with no hidden payments or termination fees.

WHO WE ARE

We are a professional, active and open-minded team, gathered together to help you fill the gaps and grow your business by taking it to the next level. **Our Main Goal** is to satisfy your needs, lower the risks and handle your day-by-day problems that you may face in this industry.

We have multiple dispatch service plans to choose from. Every client requires an individual and personal approach, that's why we are always **open for discussion**. We believe that our clients are the only reason that we exist and we use every means at our disposal to keep the client happy and satisfied.

WE WORK WITH

We currently dispatch **reefers, full-size dry van, flatbeds, stepdeck, and power only**. More freight types to come!

The final price for our services depends on what type of trailer you have and how many trucks. We are actively seeking Trucks, Owner Operators, & Small Fleets.

WHAT WE DO

We can meet you anywhere in your trucking journey with a **unique plan** that changes and grows with you, from full implementation to strategic advisory and program management. See our services below and choose whatever your business lacks and needs.

- COMPLIANCE MANAGEMENT

WHAT YOU GET

A team immune to stressful situations,

Skilled assistance with any problems that arise in the transit of the load when necessary, within our capabilities. (Depending on agreement on a case-by-case basis).

No forced dispatch! You are the one who is choosing where and what load to take, **YOU ARE THE BOSS!!!**

Support team that is taking care of **Carrier setup, paperwork, document** submission and signing it all.

Responsible dispatchers that **check the brokers**, before you approve the load, with your factoring company. By your request will send you a print screen of the check.

Dispatcher that is calling in advance the shipper and receiver in order to make sure they are waiting for us and appointments times are accurate.

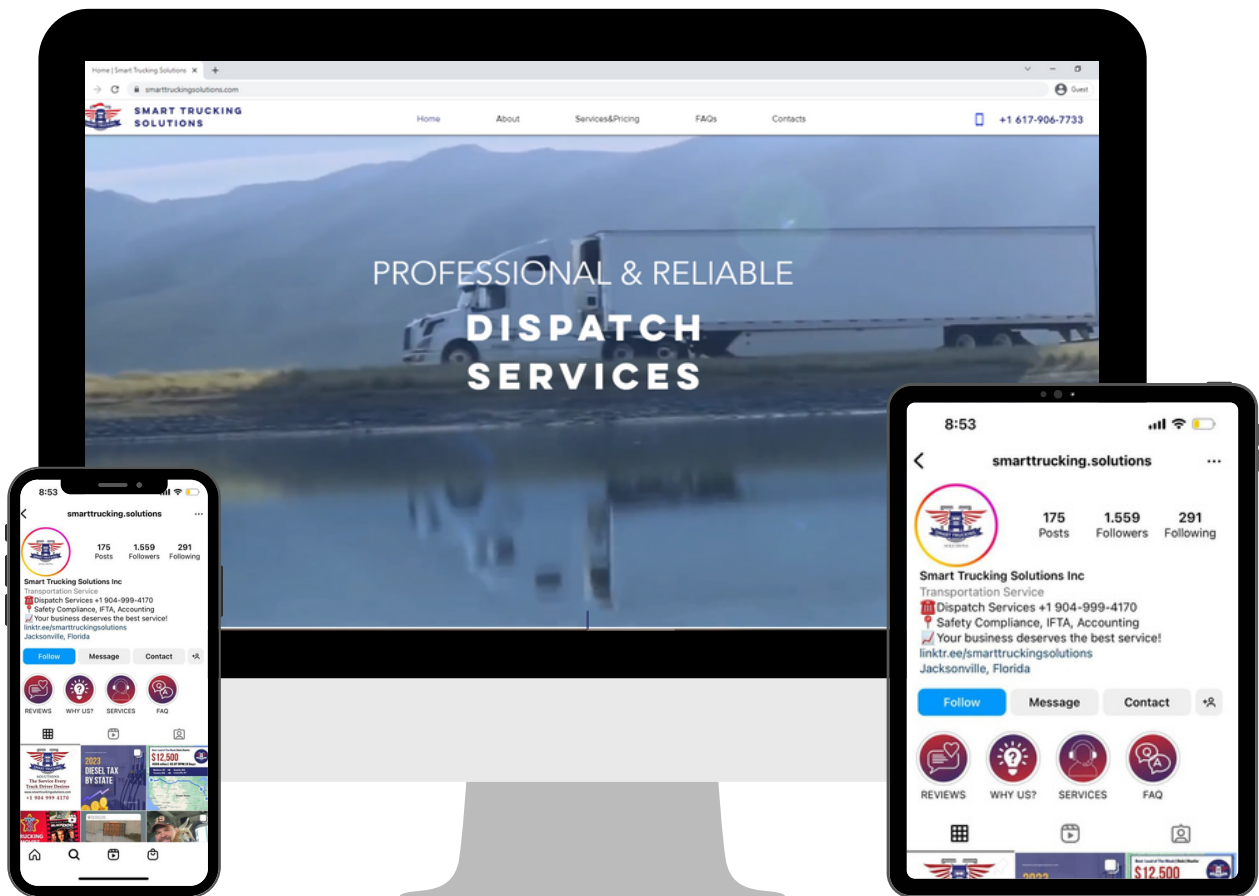

All the money from the loads is going directly to you. We will bill you only by the end of our cutoff period as per agreement, so you will have enough time to collect your payments from the factoring company.

Guarantee of **Full transparency** as we provide full access to all the boards, documents, Rate Cons, Set-ups and more.
